Notes

- ❖ The patterns in this eBook are for 6 different blankets that are worked without a long starting chain, for stress-free crocheting!
- ❖ You will find patterns of each method: Corner to Corner, Middle Out, and a Mitered square. In each method you can work the blanket **as big as you'd like**.
- ❖ I hope you will enjoy these blanket patterns, as much as I enjoyed designing them.

I would love to see your projects, please tag me [@madebygootie](#) if you upload them to social media.

Happy crocheting!

Mitered Butterflies Baby Blanket

Level: Intermediate

Materials

- Crochet hook size: **4.5 mm**
- Worsted (#4) weight yarn
(I used [Knit Picks - Comfy Worsted](#))

Total amount of yarn needed:

- Color A - 550 grams/1,100m/1,199yds
- Color B - 50 grams/100m/109yds
- Color C - 50 grams/100m/109yds
- 1 stitch marker (optional)

Gauge: Working rows 1-3 will result in an approx. 2.5" (6.3 cm) wide square.

Finished size: 36x36" (92x92cm)

Abbreviations (US)

ch - chain

C-puff2 - crossed puff2: (yo, insert hook into skipped st, yo and pull up a loop in a diagonal to the height of the dc's) x 2 times, yo and pull through all 5 loops.

dc - double crochet

flo - work in front loop only

PM - place markers

sc - single crochet

st - stitch

STsc - stacked single crochet: work 1 single crochet in the first stitch, then work another single crochet into the left leg of the single crochet you just worked.

tr - treble crochet

yo - yarn over

Special Stitches

- ❖ **How to crochet the Stacked Single Crochet (STsc):** This stitch is an alternative to double crochet, its intention in this pattern is to replace the ch3, or ch2 + dc at the beginning of the pattern and get a straighter edge.
At the beginning of the row, do not chain, keep your yarn behind your hook and work 1 single crochet in the first stitch, then work another single crochet into the left leg of the single crochet you just worked.

- ❖ **How to crochet the C-puff2 (Crossed puff2):**
(yo, insert hook into skipped st, yo and pull up a loop in a diagonal to the height of the dc's) x 2 times, yo and pull through all 5 loops.

Pattern Notes

- ❖ **There is a stitch count table after the written instructions.**
- ❖ The blanket is worked in the **Mitered method** - from one corner to corner (similar to the C2C method, but without the decreasing), you can make it as big as you'd like.
- ❖ Place marker in the corner stitch (tr) and move marker along the rows to make it easier to find the corner.
- ❖ To help with stitch count: every row adds 4 stitches (2 in each side).
- ❖ **STsc is an alternative to the 1st double crochet**, its intention in this pattern is to get a straighter edge. If you prefer, you can replace it with ch3, or ch2 + dc at the beginning of each row.
- ❖ After working the C-puff2, make sure to crochet the dc into the next dc and not the last one you've worked into.
- ❖ When changing color: at the last stitch of the row, before changing color, start the stitch as normal, before you pull the yarn through the 2 loops to finish the stitch, **wrap the new color around the hook and then pull through.**

- ❖ To make it easier to follow the pattern, I have divided the blanket into sections as follows:

How to Crochet the Tulip

Pattern Notes

- ❖ There's a chart after the written pattern.
- ❖ Ch3 at the beginning of the row counts as 1dc.
- ❖ The blanket is worked from one corner to corner (similar to the C2C method, but without the decreasing), you can make it as big as you'd like.
- ❖ Place marker in the corner stitch (tr) and move marker along the rows to make it easier to find the corner.
- ❖ This blanket need blocking to obtain its final shape, don't skip this step.

Stitch counting:

- ❖ Each tulip row adds a total of 8 tulips (4 at each side).
- ❖ Each dc row adds a total of 4 dc (2 at each side). When working a dc row after a tulip row, you add a total of 8 dc in compared to the last dc row.

Changing color:

- ❖ Every other tulip row you change a color.
- ❖ The table indicates which color is used in which row/section of the blanket.
- ❖ When changing color: at the last stitch of the row, before changing color, start the stitch as normal, when you pull the yarn through the 2 loops to finish the stitch, **wrap the new color around the hook and pull through.**

Adding tassels

Using a mix of colors A and B yarns, cut 48 pieces (12 for each corner) measuring approx. 12.5 " (31 cm).

Fold the 12 pieces strands of yarn in half, using your hook pull the center of the yarn through ch-1 gap from the back side of the blanket. Remove the hook and pull the ends of the yarn through the small loop, tighten and make another knot to secure the tassel.

Yay you're done! Soak and block 😊

Pattern Notes

- ❖ To make it easier to find the ch3 / ch2 spaces at the end of the row, place a stitch marker when you ch3/ch2 at the beginning of each row.
- ❖ Every 3 rows, the V-puff's and V-hdc are being shifted.
- ❖ This blanket is based on my C2C V stitch pattern, you can find the photo tutorial on my [blog](#).

❖ How to crochet the puff stitch:

(yo, insert hook into next st, yo and pull up a loop) x 3 times working into same st, yo and pull through all 7 loops on hook.

❖ How to crochet the small puff stitch (Spuff):

(yo, insert hook into next st, yo and pull up a loop) x 2 times working into same st, yo and pull through all 5 loops on hook.
